## TERMS AND CONDITIONS

These outlines will give you a brief insight into standard practice, terms and conditions.

**WORK PROCESSES:** After initial contact has been made, we should have a general idea of your website or application needs.

Detailed requirements and deadlines are discussed and agreed, you will then receive a written quote.

If Web Hosting / Domain Registration / SSL are required, this can be worked into the agreement.

Work will then commence, with regular communication with the client.

Website/Application is finished!

### TERMS AND CONDITIONS:

Prices and Deadlines are agreed before work commences.

Extra work which was not agreed in original outline, may be charged as an additional cost on the final invoice (no hidden charges or surprises, all extra work will be quoted if applicable).

In some circumstances, depending on the size / timescale of the project, a deposit may be required.
